Condition of issuing:

1. CryptoNet Labs srl has issued this certificate to indicate that the above-mentioned company's cardholder environment has been provisionally validated against the Payment Card Industry Data Security Standard v.3.2.1 as of the Date of Compliance as stated above

2. This certificate is subject to validation conditions as laid out within the PCI DSS audit and assessment procedures, and is subject to final acceptance by the relevant acquirer and/or card scheme(s). Any queries please contact CryptoNet Labs srl at pci@cryptonetlabs.it. This certificate covers a one-year period beginning from the Date of Compliance.

3. This certificate shall not warrant or guarantee to any third party that the above-mentioned company's cardholder environment is invulnerable to attack or compromise. Accordingly, in no event shall CryptoNet Labs srl be liable to any third party in the event of loss or damage caused by any failure or breach of the above-mentioned company's systems or payment applications.

4. This certificate is issued by CryptoNet Labs srl as a commercial representation of work complete and is not officially sanctioned by either the SSC or any card scheme making up said body. Please refer to the AOC as proof of compliance.

Certificate number: CRYLABS23-015
